

## BTech Fees in Jamia Millia Islamia

Jamia Millia Islamia offers one of the **most affordable B.Tech programmes in India**, especially when compared to private universities and other centrally funded colleges. The B.Tech fees at JMI are divided into **Regular programmes** and **Self-Financed programmes**, with a significant difference because the regular courses are government-subsidised.

The **annual fee for Regular B.Tech programmes is ₹19,225**, while the **Self-Financed B.Tech courses cost ₹1,52,875 per year**. This makes JMI a top choice for engineering aspirants looking for quality education at a reasonable cost.
